| Address   | Postal Code                   |
| Entry needs to be same as POA   | Entry needs to be same as POA |
| City/Suburb   | Province/State                |
| Entry needs to be same as POA   | Entry needs to be same as POA |
| Otility bill (electricity, water, gas)     Bank or credit card statements |                               |
| POA information for withdrawals must be issued within                     | n the past <b>6</b> months    |
| Upload  | +<br>d Files/Photo            |
|   |                               |

1.8 <u>Once the documents are sent, it takes 24-48 hours for the account to be</u> <u>validated => you will receive an email with your mt4 username,</u> <u>password and connection server once the account confirms you</u> <u>(sometimes in spam).</u> During this time you can make your deposit even if the account is not validated (this speeds up the document validation process).

Congratulations, your MT4 live account is now open.
